In the lead up to the kickoff of the Shopee Liga 1 20/21 season on 29 February 2020, SportsHero has relaunched the ever-popular Liga 1 Match Predictor Contest on the KitaGaruda Application. Users will now stand a chance to follow their favourite Liga 1 teams across the league through live score updates whilst winning exclusive Garuda merchandise provided by the Football Federation of Indonesia (PSSI) throughout the league-long competition.

Users will simply have to download the KitaGaruda application, register for a KitaGaruda account, and start inputting their predictions for all of the matches in the upcoming round. Once the round of matches is over, SportsHero's world-leading prediction platform will generate a leaderboard based on the predictions of every user with the top three users with the highest points from the round winning exclusive merchandise.
