## SportsHero Launches LaLiga 19/20 Prediction Competition In Three Key Markets

SportsHero today announced the highly-anticipated relaunch of its world-leading prediction platform in a partnership with one of the biggest football leagues in the world - LaLiga. As LaLiga's regional partner in the Sports Prediction App category in Indonesia, Malaysia and Thailand, SportsHero is now ready to put football fans' knowledge to the test by getting users to predict different variables, including final scores, for a chance to win incredible prizes every match week throughout the rest of the 19/20 LaLiga season.

These prizes will include authentic 19/20 LaLiga Club jerseys, official Puma 19/20 match balls, autographed merchandise by LaLiga legends including Carles Puyol and Diego Forlan, and all-expenses-paid VIP LaLiga match experiences in Spain comprising of private stadium tours of the Nou Camp or Santiago Bernabeu, and VIP access to training sessions as well.

SportsHero is now available for free to download on either the Google Play Store or Apple App Store.
